

2024 IMPACT REPORT

Dear Y Family,

As we reflect on the past year, we are filled with deep gratitude and renewed inspiration. The past 12 months marked a significant milestone in our 129-year journey: the transformation of our facility. While construction brought temporary disruption, your patience, encouragement, and belief in our mission never wavered. You showed up, stood by us, and gave generously—not only to help us build a stronger physical space, but to strengthen the heart of our community.

We are also moved by the continued outpouring of support for our annual scholarship campaign. Because of you, children discovered new passions, families found connection, and seniors experienced better health and a sense of belonging. Your gifts ensured that no one was turned away and that our promise to serve ALL — regardless of age, background, or circumstance — is not just a statement, but a reality.

Our Mission: To put Christian principles into practice through programs that build healthy spirit, mind, and body FOR ALL.

For 129 years, our organization has met the evolving needs of our community with resilience and purpose. Through economic shifts, public health crises, and social change, we have remained a steady presence—adapting, listening, and serving with integrity. This year was no exception. Together, we proved once again that when we invest in people, we build something far greater than buildings; we build hope for the future.

As we look ahead, we carry forward the legacy of those who came before us and the dreams of those we serve today. We remain committed to our mission and deeply grateful for your trust, partnership, and belief in the work of the Y.

Thank you for being part of this journey. The future is bright because of you.

With heartfelt appreciation,

Shawna Tello
Chief Executive Officer

Scott McIntosh
Chief Volunteer Officer
