

# Swim lessons save lives **YOU CAN HELP**

Each year the Jackson YMCA teaches hundreds of kids how to be safe in and around water. To ensure ALL in our community have access to life-saving swim lessons, we are seeking new or gently used donations of the following:

- Swim Suits
- Towels
- Goggles
- Monetary donations

We are also partnering with Partial to Girls this year to provide swim lessons to their families.

Donations may be dropped off at the front desk. For more information, contact [alexa@jacksonymca.org](mailto:alexa@jacksonymca.org).

**You can bring a smile to a child's face - and help keep them safe.  
Thank you!**
